Cards and Games Group

We meet on the 4th Thursday of each month for two hours (excluding December) at the Sea Scouts hall on the A4 (near the Robin Hood roundabout). We play a variety of different card games and any popular board game that members choose to bring along - it's up to you to agree with the others on your table what you're going to play. We don't normally play games for which there is already a dedicated group - Rummikub, Mah-Jong, Bridge, Scrabble etc.

We usually have a break half-way through for a coffee or tea - please bring your own mug! We currently charge £1 per session towards the cost of hiring the hall. The facilities are wheelchair friendly (although you will need help holding the main doors open as they are quite heavy), and there are toilets on-site.

The hall is quite large and there are plenty of tables and chairs, so we are currently open to new members.
