Social History Group

- Our group covers history but without the wars and battles and includes the social, economic, and cultural events both in Britain, Europe and throughout the world.
- A session might cover say “Life in war time Britain”, “Medieval Castles”, the English wool trade, the Tudors or indeed any topic from early history to modern times.
- We are democratic and all share in deciding what we are going to study and then contribute with research and discussion.
- In order to bring the subjects to life we frequently use video clips, images and illustrations obtained from the internet.
- We meet at Broadway House on the third Thursday in the month from 2pm to 4pm.
- If you would like to join our group, please contact the group leader or the u3a Office.
