Travel Group

The Travel team plan day trips and holidays, which are open to all members. These are normally excursions to historic houses, vineyards, or visits to see places of interest such as Chatham Docks, the film set for the television series “Call the Midwife”.

Holidays are often planned several months in advance and there are often two holidays in a year, one abroad and one in the United Kingdom.

Information on planned outings and holidays is sent to members in the Friday updates and the newsletter, with the application forms posted on the website.

The Travel planning team is small, so if you are interested in joining and leading an outing, please contact the group leader or the u3a Office.
