French Conversation Group

- There are 2 French Conversation Groups (French Conversation Group 1 and French Conversation Group 2) meeting respectively on the first Tuesday of the month and the second Friday of the month.
We meet in the group leader's home from 10.00 am-12.00pm.
- The focus of the groups is to speak French while having fun. We occasionally revise some elements of grammar, French phrases or anything that allows us to stretch our knowledge in French.
- The level is between intermediate and advanced. Basic knowledge of French is therefore expected.
- Please contact the Group Leader to determine which group would be most suitable for you to join. There are a few vacancies.
