

## IFORD MANOR GARDENS

(Bradford-on-Avon)

**Tuesday 19 May 2026**

**Cost: £82.50**

This peaceful, Grade 1 registered garden is unlike any other with its romantic design and architecture, combining formality with nature and magnificent rural views across an unspoilt valley, whilst beautifully framed architectural gems and antiquities punctuate your visit throughout. Set on the last hill of the Cotswolds, within the Area of Outstanding Natural Beauty, it is hoped that all who visit will leave feeling relaxed and inspired.

Having taken over the garden in 2018, William and Marianne Cartwright-Hignett embarked on a 10-year plan to renew the garden. They are now partway through this transformation, working closely with talented Head Gardener Steve Lannin and his exceptional team. Working alongside nature, and with an eye for detail, the garden is responding to their loving care.

### **The cost of the trip includes:**

- Entrance to the gardens
- Tea/coffee and homemade cake upon arrival with an introductory talk
- 90 mins escorted tour of the gardens
- 2 course lunch with tea or coffee (wine may be purchased at your own expense)
- Private visit to the walled garden after lunch
- Coach hire
- Driver's tip
- Pickup points in Newbury (to be advised)

### **2025 marks 60 years of the Cartwright-Hignett family as custodians of Iford.**

*"Iford is a family story, shaped over the centuries by the generations of the many different families who have lived and worked here. Little has changed since the Domesday Book, where animals grazed the pastures alongside a Mill and Farmhouse, not dissimilar to what we find today.*
