

Pub Walks Group

- We meet on the 1st Monday and 3rd Saturday of each month though, because many pubs don't now open on Mondays, we can also meet on any other day of the first week.
- The walks are devised by the walkers themselves in this group, in turn, and are usually based within 6 miles of Newbury centre. The length is about 4 miles, and the terrain is usually flat and easy to walk on.
- We have got to know a lot more about Newbury by walking in areas not so close to our own homes.
- Meeting: Usually a Pub Car Park, used for parking, then later on we have a lunch here. (Not obligatory).
- Venue: Approx 6 miles radius of Newbury.
