

Non-Fiction Book Group

Each month we discuss a pre chosen book, and also other books we have been excited by. As a Group we decide our programme going forward.

The range of topics includes biography, history, travel/geography, science, current affairs/politics, -----.

So far (July 2026) we have read the books captured overleaf.

Our celebration of Newbury u3a's founding in 1991 was to read *Wild Swans*, which was first published in 1991 and provides an amazing view into another culture and time.

We meet from 7pm to 9pm on the 4th Monday of the month. If you are interested, please email to gill@myringland.uk
